Jay-	
Here is s	some info on fact sheets.
	The main ORD guidance page is here: tranet.ord.epa.gov/communications/fact-sheets
•	∃ The attachment is one of the three templates.
	As you noted on the phone, the guidance is a little short on details, but the

To: Cc:

m	ain ideas are:
0	keep it simple,
0	no more than two pages, and
0	pictures are nice.
•	□□□□□ Here are a few examples of solid fact sheets:
	https://www.epa.gov/sites/production/files/2017- //documents/village_blue_fact_sheet_14dec17.pdf
<b>o</b> <u>08</u>	https://www.epa.gov/sites/production/files/2015- https://www.epa.gov/sites/production/files/2015- https://www.epa.gov/sites/production/files/2015- https://www.epa.gov/sites/production/files/2015- https://www.epa.gov/sites/production/files/2015- https://www.epa.gov/sites/production/files/2015- https://www.epa.gov/sites/production/files/2015- https://www.epa.gov/sites/production/files/2015- https://www.epa.gov/sites/production/files/2015- https://www.epa.gov/sites/production/files/2015- https://www.epa.gov/sites/production/files/2015- https://www.epa.gov/sites/production/files/2015- https://www.epa.gov/sites/production/files/2015- https://www.epa.gov/sites/production/files/2015- https://www.epa.gov/sites/production/files/2015- https://www.epa.gov/sites/production/files/2015- https://www.epa.gov/sites/production/files/2015- https://www.epa.gov/sites/production/files/2015- https://www.epa.gov/sites/production/files/2015- https://www.epa.gov/sites/production/files/file
